

Because all good things must come to an end!

Dear Friends,

In the current health situation, throughout your stay we have guaranteed a robust protocol and special measures to give you peace of mind in a comfortable, safe environment.

Since the season opened in June, La Pinède Plage and Château de Valmer have strived to provide an experience combining relaxation, wellness and gourmet meals in the heart of this vast estate between the Mediterranean Sea and Provencal countryside.

The Indian summer continues to bathe our region, bringing you more tranquil beautiful days to enjoy this special place.

However, all good things must come to an end and the time has come to announce when we will close for the season:

At La Pinède Plage on 4 October,  
At Château de Valmer on 27 September,

We very much look forward to seeing you again when the fine weather returns in spring 2021.

In the meantime, take good care of yourself and your loved ones.

Warmest wishes,

Michel COLOMAS, Managing Director  
The ROCCHIETTA-MONTLOIN, Family Owners
